

MADDY ROMBES

FULL STACK WEB DEVELOPER

New York, NY

Experience

INSTRUCTIONAL ASSOCIATE | SOFTWARE ENGINEERING IMMERSIVE | May 2019 - present

General Assembly - New York, NY

- Prepare and deliver lessons on full-stack development fundamentals and support students with planning, writing, and debugging their own code
- Provide individualized feedback to support students' technical skills and personal growth
- Collaborate with instructional leads in exercise preparation, course lectures, student support, and homework and project grading

JUNIOR WEB DEVELOPER | September - October 2019

Story2 - New York, NY

- Maintained website for a small, growing educational technology startup
- Collaborated with designer on website redesign
- Worked with team of two other engineers to maintain, improve, and scale the company's React application

WEB DEVELOPMENT FELLOW | WEB DEVELOPMENT IMMERSIVE | February - May 2019

General Assembly - New York, NY

- During a 12-week intensive training program, built full-stack applications using multiple languages and frameworks
- Built RESTful APIs with Express and used third party APIs
- Collaborated with a UX/UI team using Agile methodology to redesign a restaurant's website

ASSISTANT EDITOR | NOVEMBER 2016 - FEBRUARY 2019

W. W. Norton & Co. - New York, NY

- Coordinated all editorial and administrative aspects of literature and composition textbooks
- Created sales and marketing materials as needed, including dynamic PowerPoints, extensive book preview packets, and marketing handouts
- Collaborated with authors, production managers, designers, marketers, and sales representatives on editorial and administrative facets of each book

Profile

As a Web Developer with a background in educational publishing, I am extremely organized and highly attuned to how the details contribute to the big picture. Precise, driven, and supportive, I believe that direct communication and collaboration are essential in generating new ideas that push teams forward. I seek the opportunity to work at a mission-driven company that sees innovation as the hallmark of their values.
